

Advancing Agrivoltaics for Alberta's Sustainable Future

Thursday, June 26th, 2025
Olds College - Alumni Centre

Agrivoltaics Canada invites you to an exclusive event to advance agrivoltaics as part of an innovative solution for energy and food resiliency in Alberta.

Thursday, June 26th, 2025
8:30 AM - 4:30 PM
Olds College Alumni Centre

Agenda:

8:30 AM: Continental Breakfast
Keynote Speaker(s) & Breakout sessions

12:00 PM: Lunch
Breakout sessions
Highlights & Final thoughts

4:30 PM: Networking & Drinks

Be part of a transformative conversation on how agrivoltaics can advance Alberta's policy goals in climate adaptation, environmental stewardship, food and energy resilience, and economic prosperity.

**Space is limited, be sure to secure your spot today,
agrivoltaicscanada.ca**

Purchase your ticket prior to May 15th, 2025 for early bird pricing of \$250.00 (+gst). After May 15th, tickets are \$290.00 (+gst).

Together, we can champion advancements in agrivoltaics and pave the way for a sustainable future.
